Phil,
I was thinking Dan and Becky might find this interesting and informative but wanted to check with you prior to forwarding to them. Any concerns?
Dave

Ken:

Thanks so much for following up with this. There are a number of sites that are easy to use to send large file electronically. For example, I've used <https://www.yousendit.com/> It has a free trial.

Otherwise, please fedex to

Good morning Palmer,

We promised to send you the presentation we gave you during your site visit to the Pebble Project, but it exceeds the allowable limit for email. Would you please send me your mailing address so I can put it on a disk and mail it to you?

Sincerely,

Ken Taylor
